VOLUME XI  
ISSUE 2  
Spring 2023

## GENERAL INFORMATION

**SUBMISSIONS:** The editors of the *LSU Journal of Energy Law and Resources* invite scholars, researchers, practitioners, and professionals to submit completed papers or proposals for publication. To submit a completed paper for publication consideration, please submit the most recent draft of a paper in Microsoft Word format, a CV, and a cover letter describing how the piece will contribute to energy law scholarship by attachment to [jelr@lsu.edu](mailto:jelr@lsu.edu). The editors request that each paper be at least 5,000 words. To submit a proposal for a paper for a later Issue, please submit a proposal of no more than 500 words briefly describing the issue by attachment to [jelr@lsu.edu](mailto:jelr@lsu.edu). Please include a CV with the proposal. Textual style and usage should conform to Bryan Garner's *The Redbook: A Manual on Legal Style* (4th ed. 2018). Footnotes should conform to the *The Bluebook: A Uniform System of Citation* (21st ed. 2020). The Board of Editors reserves the right to make such alterations in style and format as it considers necessary.

**LEGAL COPYRIGHT NOTICE:** The views expressed in this periodical are to be attributed to the authors and not the JELR, its Editors, or the Louisiana State University Board of Supervisors. Except as otherwise provided herein, the author of every article in this issue has granted permission, in whole or in part, for copies of that work to be reproduced for educational purposes (including for distribution to students), provided that the copies are distributed at or below cost and accurately cite the article. The standard citation will identify the author (and any co-authors), the *LSU Journal of Energy Law and Resources*, the volume, the number of the first page, and the year of the article's publication in the *LSU Journal of Energy Law and Resources*. For all other requests to reproduce materials appearing in the *LSU Journal of Energy Law and Resources*, please contact us at the address below.
