THE SALE BY WEIGHT, COUNT, OR MEASURE

Articles 2458 and 2459 of the Louisiana Civil Code of 1870 deal with goods, produce, and other objects. The French translation uses the word *marchandises*,¹ a word which more properly expresses the purpose of the redactors to exclude property that is immovable by nature from the operation of these articles. Accordingly, this discussion is limited to a treatment of the sale of movable property by weight, count, or measure.²
